4TH H CLUB CHALLENGE

We pledge our "health to better living" but do we practice it? The 4th H Club Challenge encourages Ohio 4-H Clubs to learn, practice, and advocate for healthy choices and behaviors at 4-H club meetings. Practicing healthy habits and choices now has lifelong effects on the health of youth.

Each club that completes the challenge before the deadline will enter the \$100 voucher drawing for their region to use for their club (project books, educational tools, etc.)! Each region will have a winner. The first 25 clubs that complete the registration and pre-survey will get an extra entry. How does it work? Apply 3 healthy practices per meeting at 6 or more 4-H clubs/meetings from April - December 2023.

Register and complete pre-survey.

- 1. Record the dates and activities in the 4th H tracker link. (The tracker link will be provided after registering)
- 2. Share a picture of your club doing a healthy practice on social media. Be sure to include the official hashtag #Ohio4thHClubChallenge.
- 3. Submit all activities to the tracker link by December 31, 2023.

More information can be found at https://go.osu.edu/4thHClubChallenge. Attached is a graphic both in PNG and PDF file for your newsletters, social media, etc.

Apply for 4-H Educational Assistance for the 2023 Ohio State Fair.

The 2023 Ohio State Fair is just 64 days away! In the past years, hundreds of thousands of our closest friends gathered to make memories and enjoy their fair favorites – food, the butter cow, a visit with Smokey Bear, a performance by the All-Ohio State Fair Band or choir, or a run in the show ring. The 2023 Ohio State Fair will be back in full swing including state level 4-H project judging.

We are accepting applications for Educational Assistants for the 2023 Ohio State Fair. This is a paid position. The first day of work would be around July 24th and ending on August 7th. Applicants must be available to work the entire run of the state fair.

All applications **MUST** also be completed on-line in Workday.
