## Medina County 4-H Junior Leaders Milkshake Booth Requirements

### All Members Must:

- Work scheduled shifts. Shifts length varies for members, committee members, & milkshake booth chairs. Schedule will be worked on during the May Meeting and completed by June Meeting.
- Milkshake Booth Committee Members must work an additional opening or closing shift.
- Refrain from the use or handling of personal electronic devices while working in the milkshake booth.
- If you cannot attend your shift, you must find a replacement. An advisor may be asked for help or advice, but it is ultimately the member's responsibility to fulfill their shift. All schedule changes must be communicated to a Milkshake Booth Chair. A phone list will be available in the milkshake booth during the week of fair.
- First time members must attend a training shift on Saturday or Sunday prior to fair.
