

March 20, 2020

To our 4-H Families:

I know that since my last communication, there are likely many questions that have crossed your mind. I hope to be able to answer many of those questions below.

**As a reminder, we are asking that ALL 4-H events, programs, fundraisers, and activities scheduled between now and April 20 be held virtually, postponed, or cancelled.**

### Enrollment

The enrollment deadline is April 15, *however*, the deadline for fees is now May 1. You are still encouraged to mail your family enrollment forms with your check – sooner rather than later. Please seal the envelope with tape!

### Book Orders

Currently, book orders at OSU are not being filled or shipped through 3/31/20. While I recognize that some families have book orders at the office, unfortunately, we have no way to get these to our families.

A note from <https://extensionpubs.osu.edu>:

*Because county Extension offices in Ohio are closed at this time, shipments to those locations have been suspended. Ohio county Extension personnel are asked to please refrain from placing new orders at this time. **Ohio residents and others can still place orders to be shipped directly to their homes, although they will have to pay slightly higher prices plus shipping.** We are working to offer more options to Ohio residents after April 1. If you have any general questions, please contact Jane Wright at [wright.646@osu.edu](mailto:wright.646@osu.edu). Questions about specific orders should go to Dave Davisson at [extension-pubs@osu.edu](mailto:extension-pubs@osu.edu). Thank you for your patience as we navigate these changing circumstances.*

### Quality Assurance

Youth can go to the following website to take the age-appropriate on-line module for \$12 per person:

<https://yqca.learngrow.io/Account/Login>

- Youth will need their 4HOnline login and password or they can create their own login and password. Youth MUST register using 4HOnline for their results to automatically show up in 4HOnline.
- A PDF will be available at <https://medina.osu.edu/covid19> with step-by-step directions if needed.
- Online QA takes approximately 60-90 minutes to complete.
- Once completed, visit <https://go.osu.edu/medinaqa> to submit verification information.

### Other items due during our temporary closure

For items that can be submitted electronically, the deadline will still be enforced. Please upload documents to <https://go.osu.edu/medinamail>. Items can be submitted with a phone, tablet, or computer.

### Virtual Meeting

I will be setting up some virtual meetings for club advisors, committee volunteers, and those needing help with member enrollment in 4-H Online help. Look for announcements for links to connect using a program called Zoom.

### Getting in Touch

For general questions, please contact 330-661-6402. You can also email me at [domokos.2@osu.edu](mailto:domokos.2@osu.edu).

Sincerely,

*Morgan Domokos*
