This is a 3-hour educational course that covers good agricultural practices or GAPs. GAPs trainings provide growers with the knowledge and tools needed to implement on farm best management practices to reduce on-farm microbial food safety hazards. *Participants will receive an emailed certificate of completion at the end of the training.*

Payment accepted via credit card online. Link will be sent to your email after RSVP'ing.

If you require an accommodation such as live captioning or interpretation, please contact Ashley Kulhanek at kulhanek.5@osu.edu or 330-725-4911.
