

# OHIO STATE UNIVERSITY EXTENSION

## MEDINA COUNTY MASTER GARDENER VOLUNTEERS

### “NATURE ROCKS!”

Gardening fun for 6 – 12 year olds!

Join OSU Extension and the OSU Master Gardener Volunteers for their Spring Children’s Workshop where your child will experience nature’s wonders with three fun and educational activities! Children will learn how to identify butterflies that are commonly found in Ohio and the native plants that attract them. They will be engaged in a butterfly life cycle learning activity and take home pollinator seeds to plant at home. Participants will enjoy a scavenger hunt adventure and learn to identify Ohio native and non-native plants and how these affect our environment. They will search for special painted rocks to share their fun! Your child will also get to paint a suncatcher to hang in the window. All in time for Mother’s Day.

**Space is limited. Pre-registration is required. No walk-ins please.**
