4-H Animal Schools- Registration is OPEN!!

4-H Animal Schools are a fun hands-on way to kick-start your 4-H project work! Intended for beginner and intermediate skill levels, these schools incorporate hands-on sessions with your project animals and content workshops to assist you in better preparing for shows and for raising healthy animals.

Registration for each school is limited. Online registration will open one month prior to the school and close one week prior to or when it has reached capacity (whichever comes first).
