Horse Permission to Participate Form

The Permission to Participate form is still an annual statewide requirement for all youth participating in Ohio 4-H Horse Program activities. Here is a link to the form available online:

<https://ohio4h.org/sites/ohio4h/files/imce/PermissiontoParticipate2023.pdf>

EquiSTEP (Equine Safety, Training, and Education Program)

EquiSTEP is an annual statewide requirement for all youth participating in Ohio 4-H Horse Program activities. It replaces the statewide requirement of reading the *Horses, Safety, and You* (191R) resource. EquiSTEP is designed to be completed online by each participant individually through Scarlet Canvas or administered in a group setting by a county 4-H educator to their participants, similar to QA for livestock market projects.

Here is the link to enroll in/access EquiSTEP: go.osu.edu/equistep2023

The EquiSTEP curriculum focuses on helmet safety, equine safety & handling, equine health & nutrition, and sportsmanship and is designed to rotate topics every year. The topics for this year's EquiSTEP are highlighted in bold below.

STEP 1: Head (Helmet Safety)

Helmet Safety Video (Every Year)

STEP 2: Hands (Equine Safety & Handling)

YR 1 Equine Behavior

YR 2 Safety & Handling

YR 3 Tack & Equipment

STEP 3: Health (Equine Health & Nutrition)

YR 1 Assessing Horse Health

YR 2 Preventative Health

YR 3 Nutrition

STEP 4: Heart (Sportsmanship)

YR 1 Winning & Losing

YR 2 Discipline vs. Punishment

YR 3 Handling Adversity

Help with Registration:

To complete EquiSTEP individually, a participant must enroll using their own unique email address. (Participants should not use their school email addresses as the course enrollment invitation will be blocked by the school's email system.) Participants must view all five videos (introduction and STEPS 1-4) which last approximately one hour in total. Once the videos are completed, participants will be able to access the 10-question quiz. Participants must complete the quiz associated with the training and achieve a minimum score of 7 (out of 10) in order to pass the training. Once the quiz is successfully completed, participants will need to complete the course survey to trigger a certificate of completion. The certificate will be emailed to the participant's email address as well as their county's 4-H Educator. The participant must select their correct county to trigger the email to the correct email address and they must click on the submit button at the end of the survey to trigger the email.

Quality Assurance

All members taking a lactating or market animal to the fair are required to take AQCA (Quality Assurance) training. Members who do not complete this required training will NOT be able to show their market animal at the 2023 Medina County Fair. Dates to complete this required training are below. You may take any of the offered trainings regardless of which of the three counties you live in. You can register here:
