 - e. Fair Photographer
 1. Last year's photographer was Jerry Bodner.

2. Mr. Bodner takes around 1000 pictures a day. He uses a flash drive to give to the 4-H office. It takes a lot of the space on their system. Different ideas were suggested to increase space available, but OSU is limited as to what they can use.
3. Chuck said that the Senior Fair Board should be able to give him a staff pass so that the Advisory Council doesn't have to buy him one.

f. Office update

1. Brittney reviewed that there were 727 entries in FairEntry. The number could go up due to adding Cloverbuds. Last year there were 2989 projects and this year there are 3698. The jump in numbers is partially due to horses being required to be entered this year.
2. All livestock numbers are up.
3. Sierra will be out of the office in January, February and March on Maternity leave.

6. Committee Reports- No reports at this time. Awards & Scholarships committee met after the meeting to review Outstanding Senior applications
